Members shall be considered salaried employees. Annual salaries will be distributed over the course of the year on a bi-weekly basis. Payday shall remain Friday and shall occur every other Friday. This will typically result in 26 pay periods. In the event that a given year will have 27 Fridays, management and the unit will meet to discuss a mutually agreed upon method for the distribution of the annual salary that is compatible with the Township's payroll program/system.

F. The Township reserves the right to hire a patrol officer at any step not to exceed Step 3 based on qualifications and experience.

G. SHIFT DIFFERENTIAL

1. Fixed Shift

In the event the Township utilizes 8.5 hours shift intervals, a shift differential will be paid at the following rates: six percent (6%) for the evening shift (i.e. the 2:00pm to 10:30pm), or any part thereof. Eight percent (8%) for the overnight shift (i.e., 10:00pm to 6:30pm shift), or any part thereof.

2. Rotating Monthly Shift

In the event the Township institutes a rotating shift schedule requiring members to work alternating shifts based on a 28 day schedule cycle, there shall be a flat shift differential payment to every officer assigned to the 28 day schedule cycle as follows: \$2,400 for 2014; \$2,500 for 2015; and \$2,600 for 2016, and \$2,700 in 2017.

3. Shift Differential shall be paid in the paycheck nearest December 1st of each year.

ARTICLE XII
EDUCATION

Upon prior approval of the Chief of Police, the Township will pay, on a reimbursement basis, the tuition and book expense of any member furthering his education by taking police courses. Educational reimbursement shall be based on the less of 1) actual tuition cost; or 2) the established undergraduate tuition rate (per credit) for a New Jersey resident attending a college or university with the New Jersey State System. Police courses are defined as college level courses directly associated with a degree program in police science or criminal justice at an accredited college.

Members hired after March 18, 1986 will be limited to a four-year bachelor's level degree with respect to the above. The Township will reimburse the member for tuition and book expenses only after completion of course work, the submission of receipts, and proof of the attainment of a final grade of "C" or better. The Township will only provide compensation, which in conjunction with financial aid or compensation received from other sources, will defray tuition and book expenses. The Township will not, in conjunction with financial aid and compensation received from other sources, provide compensation when such combined payments would exceed actual tuition and book expenses.

The working of a Pitman schedule results in approximately 2184 working hours per year whereas the working of a set 8-hour work day/ 40-hour work week would result in 2080 hours worked per year by any given officer. A 2080 hour work year corresponds with the FLSA standard work year; and

WHEREAS, the police officers of the Township of Evesham covered under this CNA are assigned to patrol work in two separate groups or “sides”, with one side being off while the other side is working, and vice versa; and

WHEREAS, in addition to the 2184 scheduled working hours created by working a Pitman Schedule, said officers of the Township of Evesham are required to spend 16 hours annually at the range and receiving additional mandatory training, resulting in a 2200 scheduled working hour year annually, an amount which exceeds the 2080 hour FLSA standard work year by 120 hours. Officers working the extra 16 hours of mandatory annual range training shall be compensated for the extra hours with 16 hours of unscheduled time off (Compensatory Time) thereby reducing the hours imbalance by 16 hours resulting in an adjusted total of 104 hours; and

WHEREAS, the 13 twenty-eight day cycles worked by patrol will consume 364 days of a standard (non-leap) calendar year, resulting in an “extra work day” of 12 hours which will be scheduled to be worked by one “side” annually, meaning that one “side” will be scheduled to work 2196 hours annually, exceeding the 2080 hour FLSA standard work year by 116 hours annually. These officers scheduled to work the “extra day” will be given 12 hours of additional unscheduled time off (Compensatory Time) as compensation for the extra hours, thereby

reducing the hours imbalance by 12 hours and resulting in an adjusted total of 104 hours; and

WHEREAS, the remaining 104 “extra hours” scheduled to be worked by said officers assigned to patrol will result in scheduled time off (known as “adjustment time”) in order to balance out the remaining discrepancy between a typical 2080 hour work year and the work year created by working a Pitman schedule; and

WHEREAS, Canine Officers of the Evesham Township Police Department covered under this CNA work 286.5 hours beyond the 2080 FLSA standard when considering the 104 extra hours scheduled to be worked due to a Pitman schedule, together with the 182.5 hours

annually for which Canine Officers are compensated for their "at home" care of their canine partners. To accommodate for the discrepancy between the 2080 FLSA standard and the 2366.5 hours worked as described above, each Canine Officer works an 11 hour shift thereby reducing the hours imbalance by 182 hours and resulting in an adjusted total of 104.5 hours. Additionally, 8 hour (as opposed to the standard 11 hour) canine training days are factored in further reducing the annual imbalance of hours by 36 hours resulting in an adjusted total of 68.5 hours. Therefore, in order to meet the 2080 FLSA standard work year, 68.5 hours annually must be scheduled as "adjustment time" for each Canine Officer; and

WHEREAS, Canine Officers assigned to work the "extra calendar day" are given an additional 12 hours of Compensatory Time for that year; and

WHEREAS, the parties negotiated this issue during the current CNA negotiations and mutually reached a resolution and instead of including said terms set forth below in the CNA, the parties agreed to record the negotiated terms by and through this Memorandum in order to provide record notice of the Agreement which the parties have achieved:

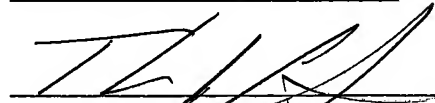

NOW, THEREFORE, the parties do hereby agree as follows:

1. ~~"Adjustment Time"~~ in order to comply with the 2080 hour FLSA standard work year, and after factoring in the above described awarding of Compensatory Time and other schedule adjustments, officers covered under this CNA assigned to patrol will require an additional 104 hours of Adjustment Time to correct the imbalance between scheduled hours of work under the Pitman schedule and the FLSA standard work year of 2080 hours. Similarly, Canine Officers assigned to the Pitman schedule will require an additional 68.5 hours of Adjustment Time to correct the imbalance in their schedule.
2. On or about January 1, 2015, Police Chief Christopher Chew shall manage the aforementioned additional Adjustment Time as follows:

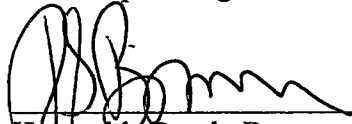

- a. Patrol Adjustment Time shall be assigned to the schedule in 12 hour blocks of time, in lieu of the current four (4) hour adjustments.
 - b. The chief of police, in his sole discretion, shall schedule the 12 hour blocks of Adjustment Time on officers' scheduled days of work, Sunday through Thursday, throughout the calendar year. There will be no scheduled Adjustment Time on Fridays or Saturdays.
 - c. After scheduling full 12 hour blocks of Adjustment Time, any remaining hours balance of Adjustment Time owed to an officer will be awarded to the officer as unscheduled time off (Compensatory Time).
 - d. If for any reason the chief of police determines that it is necessary for the efficient delivery of law enforcement service to the Township to modify and or revise the terms of this Memorandum of Agreement, the Chief of Police shall articulate the necessity to modify the terms and agrees to meet and negotiate with the FOP in good faith to reach a mutual resolution.
3. Notwithstanding the above, the terms of this Agreement shall be in full force and effect during the term of this CNA, but nothing herein shall be deemed to terminate the provisions of this Agreement prior to the parties hereto executing a new Agreement at the expiration date thereof.

IN WITNESS WHEREOF the parties hereto have set their hands and seals the day and year first above written.
